

Ayr Housing Aid
Centre scio

Who are AHAC?

We have been in existence for over 35 years, established following a conference on homelessness which was hosted by Shelter in 1986. We help anyone within South Ayrshire in housing need, whether they are homeless, threatened with homelessness, living in poor conditions or any other housing related matter. We also lobby Local and Central Government on homeless related matters. There can be no greater housing need than having no home!

WHAT DOES IT MEAN TO BE AN AHAC BOARD MEMBER?

The AHAC Board have overall responsibility for our activities and are supported by committees. The Board set the strategic direction of what we do and have responsibility for governance.

Being a Board member is a voluntary position, and a very rewarding role. Its a chance to learn new skills, as well as making good use of existing skills.

Join the AHAC Board

Do you have the enthusiasm to help others and help drive an organisation?

Do you want to make a real difference in the community?

This is your opportunity to make a big contribution to a small charity within a strong governance framework. We are currently looking for potential Board members that can bring expertise in finance, digital, marketing and income generation.
